

GUIDELINES FOR SPRING TERM 2018

Please be reminded that Fees are to be received in cleared funds, by Friday 5th January 2018, before term begins on 8th January 2018.
Please be aware, a 5% surcharge may be implemented on unpaid funds.

Late payment of Fees could result in your child(ren) not commencing on the first day of term. This is to avoid the difficult and unpleasant task of suspending children from class during the first days of any term due to the lack of payment of school fees. If you have any queries please contact, in the first instance - fees@eic.edu

- **15 euros per family** for the 2016-2017 Yearbook issued at the beginning of the Autumn Term
- **25 euros per child** for the set of photographs (1 portrait pack distributed in December + individual class photo to be distributed in the Spring term).
