the summer school

The EIC Summer School runs for 4 weeks and students can choose to join for **1,2,3** or the full **4** weeks.

We are the longest established summer school on the coast boasting a wide range of academic, sporting and fun activities. The secret behind our successful summer school is the warm and friendly atmosphere created by the staff, children and surroundings.

We have three age ranges:

3-5 years (Dolphins)

6-8 years (Sharks)

9+ years (Orcas)

All students will be supervised and monitored by fully qualified and experienced members of the EIC staff.

Each week will boast a different theme:

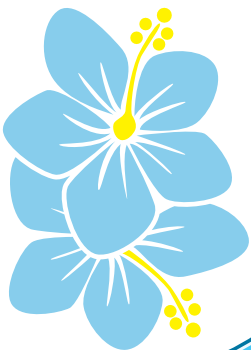

Week 1 > Environment

Week 2 > STEM

Week 3 > Local Communities

Week 4 > Animals

All visits, activities and/or special guests each week will be based around the weekly theme.
